The Business School's primary colours are **regal purple**, **orange yellow** and **pearl grey**.

The purple signals loyalty and devotion, whilst the yellow signals perseverance and resolution.

A pearl grey represents the professionalism and confidence of the School, as well as being a subtle tribute to the location of the School and its presence in the Greater Bay Area.

Secondary Colours

HEX	931163	BEAF9B	A8B400	007C92	60C0BD

These accent colours are designed to work with the primary colours and offer flexibility.

They can be used in 3 tones: Primary accent colour, 75% and 50% tint of the colour.

The extended accent colours should be applied sparingly.

Myriad Pro

Myriad Pro, the selected typography, is modern and confident. It should be used consistently across programmes and departments to create a sense of unity and cohesiveness for the School.

This typeface should be used at all times for published material e.g. brochures, posters, newsletters etc.

Language

British English should be used.

English Alternative

Logo Lock-up

By following these guidelines you will establish the School's distinctive look, further supporting our brand positioning and bringing greater strategic focus to who we are, what we represent and where we are going.

3.2

Logo Lock-up with Academic Units (AU)

- 3.2.1 The Logo-AU Lock-up Design
- 3.2.2 Clear Space and Minimum Sizes
- 3.2.3 Logo Colours

The Logo-AU Lock-up Design Overview

Lock-up with Tagline

Lock-up with Academic Units

2 Leading Line (Preferred)

1 Leading Line

3 Leading Lines

The logo-academic unit (AU) lock-up is a special version of the CUHK Business School logo for internal academic units.

A maximum of three lines of text are added next to the CUHK Business School logo. Each line of the unit name should be of the same height as that of "CUHK", "Business School" or "Look Forward". Lock-up with two leading lines is the preferred version. The font used is Myriad Pro Regular.

The name block should align bottom with "Business School" and should not extend beyond the width of two emblems if possible.

The Logo-AU Lock-up Design Programme

Examples of logo lock-ups with schools and departments are indicated on the left.

The Logo-AU Lock-up Design

Clear Space and Minimum Size

Minimum Area of Clear Space

Width of CUHK Business School Logo
X

Minimum Size for Print / Digital

To ensure maximum standout, an area entirely clear of text, background image and other graphic elements has been created around the logo lock-up. The intention is to avoid overcrowding and to optimise the logo's impact and prominence.

The **clear space** indicated in blue is the minimum area and defines the proportional values in relation to the width of CUHK Business School logo.
